

Call for Investors to Participate in an Aquaculture Business

The Opportunity

The Foods Company Limited (TFCL), commonly known as Maldeco, is working on an aquaculture scale-up plan following its recent re - organization. The growth plan will position the business as the largest supplier of fish to meet the huge and strong market demand in the country and, potentially, in the region. In view of the above, the company is looking to work with suitable strategic equity and technical investors to co-own and co-operate the business.

The Process and Timelines

Interested investors are requested to send through an Expression of Interest (EOI) to the company by Friday 8 September, 2023 which will trigger access to information and considerations.

Contacts

For enquiries and submissions of the EOIs, investors should reach out to the company through the following email address: investorscall@presscorp.com
